Flow Towards
Prosperity

- Light in weight and high tensile strength
- Resistance to corrosion, abrasion & UV radiation
- Smooth internal surface finish which have low friction which saves energy
- Have no effect of weather conditions

- Strong and long lasting upto 50 years durability
- Installed in bore wells without joints
- Low thermal & electrical conductivity
- Size: 16mm (0.25") to 630mm (24")
(Available in PE63, PE80 & PE100)
